Dear Sir,

Sub : Business Restructure of the Registry Business

Greetings from Integrated!

At the outset, we thank you very much for your continued support in all our endeavours throughout the journey and growth of Integrated over decades.

As you are aware, Integrated Enterprises (India) Limited is a SEBI Registered Registrar and Transfer Agent with SEBI Registration No. INR000000544.

As a part of Business restructuring and future growth prospects, the company had proposed and filed a Scheme of De-merger of its Registry undertaking into a separate Company and the same has been approved by SEBI Vide their letter No. MIRSD-3/LMS/RTA/3824/1/2017 dated February 17, 2017 (copy attached)

As per the sanctioned scheme, the registry business is being demerged to a recently incorporated company "Integrated Registry Management Services Private Limited". It is a company owned and controlled by the Promoter Group of Integrated and managed by the Senior Management of Integrated. There is no change in control or ownership or Management and even the SEBI Registration number remains the same and the operational team, effectively the only change is "the Name of the Company".

Integrated Enterprises basically focuses on the retail investor segment and it was felt by the Management to transfer the Corporate Services Division to a separate legal entity. Hence, the business is being re-structured for bringing in operational convenience. Also, the recent corporate law changes with amendment of Company Act and other related rules and regulations has brought in more opportunities for this division in the areas like unlisted/private limited companies, Secretarial Services, XBRL services and related MCA services. The business strategies and the risk factors are completely different for these divisions and hence demerging the corporate services would bring in better operational synergies amongst the Group Companies.
